# **10MWh Off-Grid Solar Container in the Philippines**

## Overview

---

Who is go gridless Philippines?

GO GRIDLESS Philippines Corp. is a Manila-based solar and energy solutions provider catering to residential and commercial projects. We have speciality across grid-connected solutions, hybrid solutions with batteries, and also off-grid solutions for locations that experience poorly served electricity services.

Why should you choose solar power in the Philippines?

Our mission is to make renewable energy accessible and affordable all over the Philippines and to help reducing CO2 emissions for a cleaner and greener world. Solar Power can help you to reduce your electricity bill, increase your property value as well as reducing your carbon footprint.

Where can I buy victron energy solar power products?

Many of our Solar Power products can be bought directly on Lazada. Visit our Shopee webstore for a wide range of top-quality Victron Energy solar equipment and accessories. Remotely monitor your Victron Energy solar power equipment from anywhere in the world. ©Copyright 2025 PhilSolar Online.
