

EQACC SOLAR

15kW Smart Photovoltaic Energy Storage Container for Port Use

 **TAX FREE**    

ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Overview

Energy Generation & Storage: A 15kW portable solar power system with integrated photovoltaic tiles and a 150,000mAh battery bank, designed to convert sunlight into usable electricity and store excess energy for off-grid use. Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

What is Huawei smart string energy storage system?

With Huawei Smart String Energy Storage System, you can power your life by green power storage and be astonished by its admirable performance. No matter nights, rainy days or unexpected blackouts off the grid, the solar power is always at your request as a real bank. The built-in optimizer independently manages each battery module.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

15kW Smart Photovoltaic Energy Storage Container for Port Use

Popular in EU Container Power 15kw off Grid Energy Storage ...

Popular in EU Container Power 15kw off Grid Energy Storage System, Find Details and Price about Solar Power System Solar Energy System from Popular in EU Container ...

Solar Container , Large Mobile Solar Power ...

LZY container specializes in foldable PV container systems, combining R& D, smart manufacturing, and global sales. Headquartered in ...
