

EQACC SOLAR

After-sales service for automated solar-powered containerized systems

Overview

Why do you need a solar container unit?

Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere. With our pre-configured solar container unit, you can get going quickly, and the folding solar panels for containers can be deployed in less than three hours.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

What is a containerized reverse osmosis plant?

Containerized reverse osmosis plant includes a multimedia pretreatment tanks, water softener, antiscalant dosing system, antifouling dosing system, reverse osmosis unit with semi-permeable inverse osmosis membranes, ozone generator and ultraviolet sterilizers or post chlorination as a post treatment accordingly.

After-sales service for automated solar-powered containerized system

ESS

Solar reverse osmosis water desalination system container

...

Solar powered reverse osmosis water desalination system, Mobile containerized swro desalination plant, Water treatment system factory Haiyuan.

ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW/115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Solar desalination plant

Chunke off-grid solar desalination plant is a plug & play, with containerized option that works off-grid using only solar energy to produce clean water from seawater, brackish ...
