

EQACC SOLAR

Austrian solar tile product introduction

Overview

Are autarq solar roof tiles aesthetic?

Aesthetic. Get the look and the function. Autarq solar roof tiles look just like regular roof tiles and integrate seamlessly into the design of your roof. Good to know: The weight of our solar roof tiles is similar to that of the original tiles, so the roof's load-bearing capacity is not affected. Explore the options. Durable.

What do autarq solar roof tiles look like?

Autarq solar roof tiles look just like regular roof tiles and integrate seamlessly into the design of your roof. Good to know: The weight of our solar roof tiles is similar to that of the original tiles, so the roof's load-bearing capacity is not affected. Explore the options. Durable. 25 years of performance, guaranteed.

What is a solar roof tile?

The solar roof tile – for a modern roof that protects, generates electricity and impresses with its simple elegance. Meyer Burger Tile combines high-quality aesthetics with innovative solar energy. Invisibly integrated, the technology remains concealed while the roof shines in perfect beauty.

Are autarq solar roof tiles bonded?

During production, Autarq solar modules are bonded inseparably with original roof tiles. We only use roof tiles from renowned manufacturers: That makes Autarq solar roof tiles just as durable as regular tiles. With a 25-year performance guarantee, an Autarq solar roof will generate clean energy to supply your home for the next generation.
