

**EQACC SOLAR**

# **Brazilian solar water pump manufacturer**

## Overview

---

Who makes solar water pumps?

WBS began producing water pumps in 1998. In 2008, we independently developed and produced solar water pumps. We have OEM production for more than 200 solar pump dealers around the world. Over the past 10 years, we have produced more than 150,000 sets of solar water pumps that have been exported to other parts of the world.

What is the pump industry in Brazil?

Brazil has a vast agricultural sector that relies on pumps for irrigation, crop spraying, and other farming activities. The pump industry in Brazil is supported by a strong network of pump manufacturers, suppliers, and service providers, which offer a wide range of products and services to meet the needs of various industries. Location: Rod.

Where is the pump manufacturing facility located?

Location: Rod. Washington Luiz, 13721 Chácaras Rio-Petropolis, Duque de Caxias, Rio de Janeiro, Brazil CEP: 25230-005 This state-of-the-art pump manufacturing facility, established in 2011, is strategically located in Rio de Janeiro in order to provide optimum delivery service and is one of the main pump suppliers to the Brazilian pump market.
