Cairo Industrial Energy Storage Power Supply

Overview

Will Sungrow Power supply build a battery factory in Egypt?

Chinese renewable energy group Sungrow Power Supply plans to build an energy storage battery factory in Egypt, the Egyptian presidency's spokesperson announced in a statement Sunday. The project was announced during a meeting in Cairo between Egyptian President Abdel Fattah al-Sissi and Sungrow Chairman Cao Renxian.

Will Egypt create an energy storage battery factory?

The project was announced during a meeting in Cairo between Egyptian President Abdel Fattah al-Sissi and Sungrow Chairman Cao Renxian. The presidency stated that discussions focused on a plan to create an energy storage battery factory in Egypt with an annual production capacity of up to 10 gigawatts (GW).

Will Sungrow cooperate with Egypt to localize energy storage battery industry?

Cao highlighted his company's expertise in manufacturing power plant components and energy storage batteries, adding that Sungrow is ready to cooperate with Egypt to localize the energy storage battery industry.

Who is Sungrow Power Supply?

Sungrow Power Supply is a global leader in renewable energy solutions, producing solar inverters, energy storage systems, electric vehicle chargers, and floating installations. Egypt aims to increase the share of renewable energy in its electricity mix to 30% by 2030.
