

EQACC SOLAR

China distribution switchgear in Auckland

Overview

Who is Western switchgear?

We provide a full-service solution for the design, manufacturing and installation of electrical control systems and electrical switchboards throughout New Zealand. Formed in 1985, Western Switchgear answered a need for high quality, custom built, low voltage switchboards, motor control centres, and control & distribution panels.

Where can I find the best switchgear in NZ?

For the best range of switchgear in NZ, talk to BREMCA. Eaton is a power management company made up of over 97,000 employees, doing business in more than 175 countries. Our energy-efficient products and services help our customers effectively manage electrical, hydraulic and mechanical power more reliably, efficiently, safely and sustainably.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

Where is bremca switchgear made?

Our extensive range of quality switchgear is sourced from the world's best brands and includes bespoke solutions manufactured right here in New Zealand. BREMCA has a significant investment in electrical switchgear and associated componentry that is stocked across the various BREMCA entities.
