Why should you buy shipping containers wholesale from pelicancontainers?

Buying in large quantities also eases shipping logistics and provides uniformity in size, design, and features. Plus, delivering the containers all at once relieves you of multiple shipments. Why Buy Shipping Containers Wholesale From Pelicancontainers?

How many specialized container solutions are there?

Our specialized container solutions feature 12 series with over 100 configurations, engineered for intermodal logistics, mining, construction, energy sectors, and beyond.

What are the most popular shipping containers in China?

The most popular shipping containers are the 20FT, 40FT and 40FT High Cube (HC) variants. The 10FT container is unsuitable for transport and therefore is less common. For shipping containers in China we would advise to invest in 40FT or 40FT HC containers because of the great capacities. Read more about the weight and sizes on this page.

Why should you order containers in bulk?

Ordering containers in bulk is a perfect decision when you need many items but prefer to save money and time. Buying in large quantities also eases shipping logistics and provides uniformity in size, design, and features. Plus, delivering the containers all at once relieves you of multiple shipments.
