Overview

Are there eco-lodges and eco-friendly hotels in Costa Rica?

As a result, many of the first eco-lodges and eco-friendly hotels emerged right here in Costa Rica, including Rara Avis, which is considered by many to be the very first eco-lodge in the country.

What is a penthouse suite in Costa Rica?

Penthouse Suites are the most comfortable and exclusive rooms offering a mix of a modern and tasteful Costa Rican tropical style. This room is the perfect retreat for a honeymoon couple, or a family seeking both luxury and privacy. Situated on the top floor, you can enjoy the deck with unique panoramic views.

Why should you visit Costa Rica?

Add the fact that Costa Rica has a cultural focus on preserving and protecting its natural heritage that predates even the early days of the ecotourism movement, and you have a rich history of sustainability.

Why is Costa Rica a world leader in ecotourism?

Costa Rica was the epicenter of the ecotourism movement, and today it's a world leader in the field, regarded as a respected expert despite its small population and landmass.
