## Overview

---

Who is a good solar installer in Costa Rica?

Lester provides excellent service and value for solar projects in Costa Rica. We were so happy that Neil came out and fixed our system that had just been installed by another installer. We fought for months with that installer to come out to fix their system. Finally we called Sunnyside Solar Solutions and talked to Neil.

What makes CR solar a good choice?

CR Solar energy solutions meet all required Costa Rica specifications and are 100% certified for connection to the National Grid. CR Solar uses micro-inverter technology for our solar panels which provides safety, efficiency and the flexibility to expand your system at anytime.

Does CR solar offer a cable trade-out program?

CR Solar even offers a cable trade-out program to make sure you're not left with some cables that are no longer the right length. CR Solar energy solutions meet all required Costa Rica specifications and are 100% certified for connection to the National Grid.
