

EQACC SOLAR

Customized High-Voltage Photovoltaic Containers

Overview

What is a mobile solar PV container?

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial applications. Fast deployment in all climates.

What is HJ mobile solar container?

The HJ Mobile Solar Container comprises a wide range of portable containerized solar power systems with highly efficient folding solar modules, advanced lithium battery storage, and smart energy management.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Why do you need a solar container unit?

Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere. With our pre-configured solar container unit, you can get going quickly, and the folding solar panels for containers can be deployed in less than three hours.

Customized High-Voltage Photovoltaic Containers

Custom-Designed Solar & Storage Systems

Integrated PV + Storage Containers All-in-one solar and battery systems (20KWh-430KWh) for hybrid energy supply, designed for off-grid and backup scenarios.

**Efficient
Higher Revenue**

- Max. Efficiency 97.5%
- Max. PV Input Voltage 600V
- 150% Peak Output Power
- 2 MPPT Trackers, 150% DC Input Overvoltage
- Max. PV Input Current 15A, Compatible with High Power Modules

**Intelligent
Simple O&M**

- IP66 Protection Degree: support outdoor installation
- Smart I-V Curve Diagnosis Function: locate PV string faults accurately and automatically detect faults
- DC & AC Type II SPD prevent lightning damage
- Battery Reverse Connection Protection

**Flexible
Abundant Configuration**

- Plug & Play, EPS Switching Under 30ms
- Compatible with Lead-acid and Lithium Batteries
- Max. 6 Units Inverters Parallel
- ARC Function (Optional): when an arc fault is detected the inverter immediately stops operation

Highjoule Customized Energy Storage Solutions for a ...

Customized products Highjoule delivers fully customizable energy solutions including foldable PV containers, integrated PV+storage systems, hybrid PV/storage/diesel cabinets, and mobile ...
