Who is container leasing Africa?

At Container Leasing Africa, we go beyond conventional offerings. Our expertise lies in providing not just containers, but solutions. Whether you're looking to buy, lease, or explore value-added conversions, our team ensures that every container serves as a versatile and customized asset for your business.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.
