What are Ek Power Products?

Our EK Power Products division specializes in the design and build of custom weatherproof and sound attenuated generator enclosures.

Why choose Ek generator enclosures?

In times when backup power cannot fail, EK provides durable and reliable enclosures to keep you running. Our state-of-the-art production facilities allow customers to choose from standard generator sets or work with our engineering and manufacturing teams to build a customized enclosure to their unique specifications.

Who makes Ek fuel tanks and enclosures?

As a leading fuel tank and enclosure manufacturer in the power generation industry, the Power Products division of EK has become the gold standard in quality, turn-around time, and customization for enclosures, fuel tanks, containers, and trailers for power generation equipment.

What is Ek's Power Products Division?

EK's Power Products division custom designs single and multi-unit projects for data centers, municipalities, sports complexes, infrastructure facilities, health care facilities, and more.
