Zealand**

---

## Overview

---

What is a scalable solar energy storage system?

With scalable solar energy storage systems that cut costs, boost resilience, and gives farms and businesses full control over your energy use. Ernest Energy provides turnkey solar and battery energy storage systems (BESS) tailored for New Zealand's commercial and agricultural sectors.

Who is taspac energy?

Taspac Energy is NZ's premium supplier of Solar PV and Energy Storage Solutions. 100% Kiwi owned, Taspac was founded in 2014 with a very simple goal – to provide best-in-class renewable energy solutions to New Zealand solar installers and electricians, backed up with a high level of local sales, technical and warranty support.

What is Sungrow energy storage?

Sungrow have developed an innovative energy storage solution for residential applications. This battery system can be used to store excess solar generated for use at night, provide backup power for when the grid goes down or for full time off grid applications.

What is LTDs power quality & energy storage?

LTDS POWER QUALITY AND ENERGY STORAGE RANGE OF PRODUCTS. Be it a small single harmonic filter, factory power factor correction, network utility scale reactive power control system or battery energy storage we have your options covered. The most robust, reliable and efficient products on the market.
