

EQACC SOLAR

Energy storage solar container outdoor power in Johannesburg South Africa

Overview

What is solar & storage live Africa?

Solar & Storage Live Africa is Africa's largest renewable energy exhibition that celebrates the technologies at the forefront of the transition to a greener, smarter, more decentralised energy system. Your free ticket gives you access to the premium conference, the exhibition and networking with thousands of industry leaders.

Who is solar & battery energy storage?

We are Designers, Consulting Engineers and Contractors with a stronger focus on Solar, Battery Energy Storage and related Hybrid Systems. We offer high-quality solutions for nearly every application on and off-grid energy supply.

What is Sungrow doing at solar & storage live Africa 2025?

At the recent Solar & Storage Live Africa 2025 event, Sungrow showcased its latest advancements, including utility solutions, C&I solutions, and Home Energy solutions, reinforcing its commitment to delivering scalable, cost-effective, and reliable renewable solutions that support economic development and energy security.

What is Sungrow's new energy storage system?

A key highlight of Sungrow's latest array of innovations is the PowerTitan 2.0 energy storage system. Featuring AI-driven energy dispatch, it ensures grid stability while optimising renewable energy integration.
