

**EQACC SOLAR**

# **Finland Tampere cylindrical solar container lithium battery manufacturer**

## Overview

---

Where will Taaleri Energia invest in a battery energy storage system?

Taaleri Energia announces its first battery energy storage system investment. Taaleri Energia will invest in a 30 MW / 36 MWh battery energy storage system in Lempäälä, some 25 kms south of Tampere. The facility will be one of the largest battery energy storage systems operating in the Finnish frequency reserve market.

How will a battery energy storage facility help Fingrid Energia?

The battery energy storage facility will support the balancing of production and consumption in the main grid by participating in Fingrid's reserve market and help to balance Taaleri Energia's own wind portfolio.

What is Taaleri SolarWind III?

The team is currently raising its sixth renewable energy fund, the Taaleri SolarWind III fund, and has 4.9 GW portfolio of development, under construction, and operational wind, solar and battery energy storage assets in Europe, the US, and the Middle East.

Who is Taaleri Energia?

About Taaleri Energia Taaleri Energia is a renewable energy developer and fund manager. With 45 professionals, it has one of the largest and most capable dedicated renewables investment teams in Europe.
