High quality outdoor breaker in Johannesburg

Overview

What is a 22/33kv outdoor circuit breaker?

Supplied to our customers since 1986, one of the most enduring and familiar of RWW Engineering's MV products is the 22/33kV outdoor circuit breaker. Affectionately referred to as 'The Dogbox', this unit essentially comprises an indoor (fixed) 630A or 1250A 22kV circuit breaker within a mild or stainless steel enclosure.

Who are the top circuit breaker manufacturers?

If you're searching for a trusted supplier for your business, here's the list of the top circuit breaker manufacturers in the country: CBI-electric or Circuit Breaker Industries has been serving its clients since 1949. It was part of the Reunert Group that forged a joint venture with New Jersey's Heinemann Electric Company in Trenton.

Where can I find electrical products in South Africa?

Go to their web store to find other products that you need. NUR is a top manufacturer and distributor of high-quality electrical products in South Africa. It was established in 2010 to meet the increasing demand for electrical components and accessories.

What products does CBI-electric offer?

For over 79 years, CBI-electric supplies the global niche market with specialized precision protection products like circuit breakers. It offers miniature circuit breakers, air circuit breakers, and current breakers for equipment (CBE). Check its page to view the comprehensive range of circuit breakers, accessories, and other auxiliary products.
