## Overview

---

Does Canberra have battery storage?

Battery storage for residential solar energy is becoming increasingly popular in Australia – including in Canberra, ACT. If you’re a Canberra resident looking to install a battery storage system for your home, what are the main things that you need to consider?

Where can I buy a battery storage system in Adelaide?

Allstate Solar, located at 16 Desmond Ave, Marleston, South Australia, is the only one solar company in Adelaide that offers great deals on battery storage systems in Adelaide. They offer their services in Adelaide and all over Australia for solar and home improvement needs.

Should you buy a battery system in Canberra?

If you can afford it and the economics of the system pan out, you may end up having a system installed as soon as you find a good deal. Canberra is home to one of the most ambitious battery incentive programs in the country. The program is called NextGen, and you can read more about how it works [here](#).

Why should you choose sigenergy battery storage in Canberra?

Sigenergy battery storage in Canberra provides reliable whole-home backup and smart energy management, helping you use more of your solar.
