## Overview

---

Why did Huawei participate in the electricity connect 2024?

The Electricity Connect 2024, held by Indonesian Electricity Society (MKI) and themed Go Beyond Power: Energizing the Future, took place in Jakarta from November 20 to 22. Huawei was invited to participate and received the prestigious Best Partner of Electric Power Digital Transformation and Energy Transition award from the MKI.

Who is Huawei digital power?

Industries' first converted power solution, preferred choice for large DC  
Huawei Digital Power is a leading global provider of digital power products and solutions, Our business covers Smart PV, Smart Charging Network, Data Center Facility & Critical Power and DriveONE.

Who are HK Electric & Huawei?

HK Electric and Huawei joined hands to focus on sustainable industry development and innovative transformation of the electric power industry in Hong Kong. PLN is a state-owned utilities company in Indonesia that aims to be the leading electricity company in Southeast Asia.

What is Huawei's intelligent power distribution solution?

Huawei's Intelligent Power Distribution Solution contributes to the implementation of transparent sensing of power distribution transformer districts and the enhancement of intelligent service capabilities, providing users with a greener, more stable and safer power consumption experience.
