# **Huawei UK Energy Storage solar Project**

## Overview

---

Will Huawei's battery energy storage system be discontinued in Britain?

Exclusive Huawei's product portfolio in Britain is about to shrink again with suppliers informed that its battery energy storage systems (BESS) are to be discontinued locally by the end of 2025.

What is energy storage system products list?

Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series.

Is Huawei promoting alternative brands?

Suppliers were informed on August 22 and some told us they are already promoting alternative brands. Huawei sells a range of kit in solar energy storage systems under the LUNA brand, including modules, bundles, and inverters. Huawei refused to comment when asked to officially confirm its plans.

Why did the UK stop buying Huawei Tech in 2021?

The UK faced significant pressure from its ally and ordered companies to stop buying Huawei tech for 5G infrastructure from the end of 2021 and to entirely remove any existing kit from 2027.
