Overview

Who is solar world Pakistan?

Solar World Pakistan is a solution integrator towards alternate energy systems and power independence. We offer various solar products at wholesale rates. Offering products with 100% warranty assurance at wholesale rates. Our support staff provides you after sales and backup services. Get the best solar advice from our experts.

Why should you choose Integra solar Pakistan?

Integra Solar solves the problem of load-shedding along with the benefits of solar solutions that homes and businesses enjoy in the West. Integra Solar Pakistan is distinguished by its certification from the Private Power and Infrastructure Board (PPIB), underscoring its dedication to excellence and compliance within the renewable energy domain.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Who is Integra solar?

From humble beginnings in 2009, Integra Solar is today one of the world's leading solar PV companies, with offices in two different continents and plans to expand into a third.
