Jordan Cloud Container Wholesale

Overview

Does CFC offer a sea freight service between China & Jordan?

Typically, this requirement is met by having the importer hand-write the translation on the actual invoice. CFC offers reliable and cost-effective sea freight solutions for imports and exports between China and Jordan. With transparent cube rate offers and no hidden fees, we cover major ports such as Aqaba.

What is a customs invoice in Jordan?

Jordan Customs uses the Customs Integrated Tariff System (CITS), which importers can utilize to determine commodity tariffs, import conditions, trade agreements, regulations, and other requirements. Invoices do not have to be written in Arabic, but the importer is required to provide an Arabic translation.

How much does a sea freight container cost?

Sea freight container rates depend on several factors, including the weight, type and size of imported goods, as well as freight time and carrier choice. For example. The port-to-port FCL rate from Shanghai China to Aqaba Jordan is US\$2,000 for 1x20ft container, US\$2,500 for 1x40ft container.

How do I get a customs card in Jordan?

All Jordanian and foreign trading companies must either obtain an importer's card from the Ministry of Industry, Trade and Supply for customs clearance purposes or pay a Customs bond equivalent to five percent of the value of the imported goods.
