# Mobile Energy Storage Charging Station in El Salvador

## Overview

---

Where are EV charging stations located in El Salvador?

In collaboration with Blink Charging, AES El Salvador has launched a new EV charging station at Plaza Comercial Pasares, located on the Quezaltepeque Highway, kilometer 35 ½, in San Juan Opico, La Libertad. This charging station is part of a new network of ten commercial chargers installed in 2024, adding to the ten installed in 2023.

How many Blink charging stations are there in El Salvador?

AES El Salvador announced nine additional Blink Charging stations to be installed by the end of 2023.

Why is EV charging so important in El Salvador?

“Helping drivers reduce their range anxiety and bolstering the Salvadorian public access charging network is vital, especially in light of the increased demand for EVs.” Together with Blink, AES El Salvador advances its commitment to zero emissions transportation and reduction of noise pollution.

How many charging stations does AES El Salvador have?

AES El Salvador’s commitment to electromobility Currently, AES El Salvador operates a network of 55 charging stations, 35 of which are dedicated to its internal fleet of EVs and are located at operational facilities.
