

EQACC SOLAR

Myanmar inverter assembly manufacturer

Overview

Where can I buy solar equipment in Myanmar?

Several equipment manufacturers and suppliers serve Myanmar's solar market. It is also possible to import locally unavailable solar equipment from established markets like China and the USA. Myanmar boasts several ports that allow you to receive imported solar equipment from any part of the world.

What types of solar inverters are available at Fortis Myanmar Technology?

Explore our diverse range of solar inverters, including Off-Grid, On-Grid, and Hybrid options, featuring renowned brands like Growatt, Solaredge, and Huawei. At Fortis Myanmar Technology, safety is our top priority. Our engineers undergo rigorous training to ensure that each solar installation adheres to the highest safety standards.

Who is Myanmar padauk power?

Myanmar Padauk Power started its operation in the year 2008 under the name Myanmar Padauk Trading Company Limited, with the prime business activities of electrical transmission lines solutions.

Does Myanmar have solar power?

Well, Myanmar's installed solar capacity stood at 84 Megawatts at the end of 2020. With a solar power probable capacity of 51 Terawatt-hours annually, it has barely scratched the surface of its potential. However, things are looking up for Myanmar's solar prospects if recent developments are anything to go by.
