

**EQACC SOLAR**

# **Namibia energy storage power supply manufacturer**

## Overview

---

Are water tanks transforming Namibia's water infrastructure?

In a recent article, the Economics highlights the vital role of water tanks in transforming Namibia's water infrastructure for business and industry. It emphasizes the significance of reliable water storage for sustainable development and economic growth, with Abeco Tanks as a leading provider in this domain.

Who makes solar water storage tanks?

ABECO designs and manufactures high-quality water storage tanks. Not all solar companies are the same, Solahart has a distribution of more than one million solar systems around the world and is backed by over 65 years of experience. They offer solar hot water, solar power, battery storage and more.

Who is NEC energy & water & pumps?

NEC (Pty) Ltd is a leading provider of energy and pumping solutions, dedicated to delivering excellence in service and innovation. The NEC Group embarked on a restructure of its operating entities, and we are proudly introducing NEC Energy and NEC Water & Pumps as our core operating entities.
