# **Nanya New Energy solar container lithium battery BMS System**

## Overview

---

Are battery management system manufacturers in China ready for the BMS trend?

Embracing the tide of progress, battery management system manufacturers in China from all walks of life are eager to hop on board and experience the BMS trend. Within China, the plethora of battery management system manufacturers can make it challenging to identify the best BMS factory among numerous contenders.

Which BMS products are available in the domestic market?

It holds a prominent position in the domestic market, boasting a high market share. The company's automotive BMS range encompasses EV01, EV02, EV03, EV04, and EVO5 series, in addition to supplying large-scale BMS products to energy storage system integrators.

Which is the best lithium-ion battery manufacturer in China?

MOKOEnergy is one of the best lithium-ion battery manufacturers in China, offering a diverse range of BMS customization options (customizable options: brand, specification, appearance, performance, etc.). Moreover, MOKOEnergy is certified by SGS ISO14001, ISO9001, QC08000, and TS16949.
