# **North Asia invests in building solar glass factory**

## Overview

---

Changzhou Almaden, a leading Chinese solar glass manufacturer, plans to invest USD 240.2 million in a new 500,000-tonne production facility in the UAE. Are China's Xinyi Group investing in Indonesia?

Home » World's Top Glass Producer Investing in Batam Tempo are reporting that the world's largest glass company, China's Xinyi Group, are raising their investments in Indonesia with plans to develop a glass and solar panel facility in the Rempang Eco-City Area in Batam.

How Indonesia will benefit from Xinyi Glass investment?

Menteri Investasi/Kepala BKPM, Bahlil Lahadalia. "Through this cooperation, Indonesia will be building Xinyi Glass glass investment which is the largest outside China," Then, the Minister revealed that the investment and construction of the industrial estate will be able to absorb a lot of labor in Indonesia.

Will Xinyi Glass build a sand processing plant in Batam?

Xinyi Glass plans to build a US\$11.5 billion quartz sand processing plant in Batam as it taps into the potential solar panel market for electricity exports.

What will Xinyi group's glass factory do?

According to Bahlil, 95 percent of the factory's production will be utilized for glass manufacturing, with a focus on export markets. "This plant would be the world's second-largest after its counterpart in China and the first one located outside China," he said. Xinyi Group's investment is projected to open around 35,000 jobs.
