

EQACC SOLAR

Off-grid solar container sales in Southeast Europe

Overview

Why should you choose Off-Grid Europe?

Solar-powered cooling halls that fight food waste and boost local economies.
Our smart software that optimizes performance and extends system life.
Durable energy solutions excelling in harsh conditions and large-scale delivery
Innovation is at the heart of Off-Grid Europe.

Can Off-Grid Europe and off-grid Africa have 24/7 power without diesel?

“I want to express my sincere gratitude to all Off-Grid Europe and Off-Grid Africa team members for their hard work and commitment. Now our factory can have 24/7 power without diesel, saving about 40% in costs per year. This achievement is not only a success for today but also a strong reference point for the challenges and opportunities ahead.”.

What services does off-grid Africa offer?

All done by our local Off-Grid Africa team. Our financial services support customers in funding and managing projects. We are able to advise on project finance, export finance, and collaborative financing models to de-risk access to renewable energy systems and to enhance economic feasibility.
