Outdoor power equipment room

Overview

What is outdoor power equipment?

Outdoor power equipment, including lawnmowers, blowers, hedge trimmers, and saws, plays a crucial role in various landscaping operations, such as lawn maintenance, hardscaping, tree care, and snow removal. The evolution of the urban lifestyle has encouraged demand for outdoor equipment, especially in landscaping and gardening.

Where is powerhouse outdoor equipment located?

Powerhouse Outdoor Equipment is located in Valdosta, Tifton & Warner Robins, GA. Call one of our three locations to serve you! We carry the latest Gravely, Stihl, Generac, Snapper, LS Tractors, Down to Earth, Blue Diamond Attachments, and Grasshopper, including Chainsaws and Lawn Mowers.

What is an equipment room?

The equipment room is used for storing various types of electrical and mechanical devices. This room can be present in buildings, offices and other establishments. This will depend entirely on what will be stored there. In many buildings, the minimum size is 150 ft² (14 m²).

How to design an equipment room?

When designing the size of an equipment room, the present and future requirements have to be accounted for. Floor designing must allow for non-uniform building habitation. The FDF (floor distribution frames) are usually hooked to the IDF (intermediate distribution frames) with sleeved core holes to the floor.
