Price of a 10kW collapsible container in Africa

Overview

Where can I buy shipping & storage containers in South Africa?

At Moozay Containers we can offer a huge variety of shipping & storage containers for sale & hire across South Africa. Whether it is a 20ft Shipping Container you need, you require a bespoke container office for your site, or you need a container lock box we have anything that you need and more.

Why are secondhand shipping containers so popular in South Africa?

This has been a world-wide phenomenon with most shipping containers now manufactured in China. Secondhand containers are a hot commodity when they reach the end of their shipping life. In South Africa there is an informal grading system which attempts to categorise these containers according to their cosmetic appearance.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.

How big is the container market in South Africa?

According to a 2024 industry report by IBISWorld, the South African container market is growing at 4.2% annually, driven by demand for modular solutions in construction and retail. From mining sites in Limpopo to urban projects in Johannesburg, we deliver nationwide with crane trucks for efficient setup.
