

## EQACC SOLAR

# Price quote for high-temperature resistant folding containers from Germany

## Overview

---

What determines the final container price for international shipping?

There are a number of different elements that define the final container price for an international shipping. Some key factors are: The type of container required: 20ft, 40ft, 40ft HC. all depends on your needs The Incoterm used in the contract will define which part (exporter or importer) pays each transport service.

What is a Feurer insulated container?

FEURER insulated containers offer the ideal solution for the transportation and storage of temperature-sensitive products. Whether food, medical products or sensitive goods - our insulated containers ensure reliable temperature maintenance to keep your products fresh and safe at their destination.

What is a hard-top container & a storage container?

A hard-top container is perfect for cargo that requires extra height clearance. It is also ideal for situations where the cargo is loaded using a crane. A storage container is an excellent choice to add space quickly and easily.

Why should you choose insulated containers?

Whether food, medical products or sensitive goods - our insulated containers ensure reliable temperature maintenance to keep your products fresh and safe at their destination. With high-quality materials and sophisticated design, we combine excellent protection with easy handling and sustainable reusability
