RV 3000w sine wave inverter

2MW / 5MWh
Customizable

Overview

What is a 3000W pure sine wave inverter?

LiTime is committed to delivering superior power solutions that put users first. The 3000W Pure Sine Wave Inverter offers continuous 3000W power and handles up to 6000W surge power, ensuring reliable performance even under demanding conditions. With a 90% conversion efficiency, it minimizes energy loss, maximizing your power usage.

What is a sine wave inverter?

Whether for your van or cabin, this inverter is the perfect addition to power your household appliances. Unlike modified sine wave inverters, this 3000W pure sine wave inverter delivers cleaner, smoother electricity, ensuring interference-free operation of tools, fans, lights, and electronics.

What is a 3000W solar inverter?

A 3000W solar inverter converts 12V, 24V, or 48V DC power from your battery bank into standard 120V AC power that runs household appliances. The “3000W” rating refers to the continuous power output capacity, meaning it can safely deliver 3000 watts of power indefinitely under normal operating conditions.

What devices can a 3000 watt sine wave inverter support?

Compatibility with Sensitive Electronics: A 3000 watt pure sine wave inverter can support a wide range of devices, including computers, smartphones, and appliances with microcontrollers. These devices may malfunction or be damaged when powered by modified sine wave inverters.
