

EQACC SOLAR

Sao Paulo Brazil Smart solar container battery Customization Company

Overview

Who makes UCB power stationary batteries?

Founded in 1973, Unipower, UCB Power's stationary battery brand, leads the market with innovation and quality. Unipower was the first to manufacture lithium-ion stationary batteries and obtain the Inmetro quality seal. USOLUTION® offers smart, reliable, and sustainable energy storage solutions.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Where are solar power plants made?

Headquartered in Shanghai with 50,000+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Why do you need a solar container?

Deploy power in hours Perfect for remote locations, construction sites, events, and emergency response situations. Our solar containers ensure fast deployment, scalability, customization, cost savings, reliability, and sustainability for efficient energy anywhere.
