Solar container energy storage system factory in Poland

Overview

What is Linyang energy storage?

On September 9, Linyang Energy Storage Poland formally entered into an agreement with Mosty Group for the development of a 275MWh energy storage project. The agreement was signed at an official ceremony in Warsaw and marks a major milestone in advancing Poland's renewable energy sector.

Who is partnering with Linyang energy storage?

Mosty Group, as a key partner in the project, brings extensive expertise in infrastructure and energy development in Poland. The partnership with Linyang Energy Storage marks a significant step forward in pooling resources and technical capabilities to accelerate the deployment of cutting-edge energy storage technologies.

Why did Linyang sign a smart energy storage agreement?

For Linyang Energy Storage, the agreement reinforces its strategy of expanding its international presence and delivering comprehensive smart energy storage systems coupled with full lifecycle services.
