# **Solar panels installed in San Jose**

## Overview

---

Are San Jose solar panel installers good?

Homeowners agree: these San Jose solar panel installers are highly rated for knowledge, experience, communication, and more. James M. says, "Great service, great people. 3 thumbs up!" Read more May H. says, "Just moved back into my home after close to 3 weeks of renovation.

Who are the top solar companies in San Jose, CA?

According to solar shoppers on the EnergySage Marketplace, the top five solar installers in San Jose, CA are Sunergy, Solar Optimum, NRG Clean Power, Demand Construction, and IntegrateSun, LLC.

How much does solar cost in San Jose?

The cost per watt makes it easier to compare prices between quotes and gives you a better idea of how fairly the system is priced. The average price of solar is about \$2.14 to \$3.22 per watt in San Jose, so anything in that range is a fair price.

Should you get a solar loan in San Jose?

Solar loans are popular among homeowners because you don't have to have the money for the installation upfront, but you get better lifetime savings than with a leased system. You also get to directly use the incentives (tax credits, rebates, etc.) available in San Jose, rather than a leasing company retaining them.
