

## EQACC SOLAR

# Solar power system batteries in Brazil

## Overview

---

Can Brazil be a big battery storage country?

With well-designed policies and regulations, Brazil has significant potential to follow in the footsteps of jurisdictions like California and Chile for large-scale battery storage, Germany for distributed and large-scale storage, and Australia for both pumped hydro and large-scale battery systems.

Who is the largest battery supplier in Brazil?

BYD (002594.SZ) is Brazil's largest battery supplier and has two factories in Brazil, producing lithium-ion batteries and solar modules respectively. BYD will start producing new N-type TOPCON photovoltaic modules in Brazil in December 2022, with a power capacity of 575W.

Can foreigners invest in battery storage businesses in Brazil?

Investment, incentives and taxation scenarios According to Brazilian law, there are no legal restrictions on direct foreign investment in the battery storage businesses or in the power sector (except in very specific segments or sectors of the economy).

What are the top 10 energy storage companies in Brazil?

Due to various incentives and policies, Brazil's optical storage market has seen a rapid growth. The document presents a comprehensive list of the top 10 energy storage companies including Baterias Moura, BYD, Freedom Won, Blue Nova Energy, Intelbras, Huntkey, FIMER, SMA Solar, Sungrow, and SolarEdge.
