

EQACC SOLAR

**Southeast Asia 300W solar
street light manufacturer**

Overview

Who is solar lights?

Welcome to our company, a leading manufacturer specializing in solar energy products. Our main products include solar street lights, solar flood lights, solar garden lights, and more. With a focus on sustainability and innovation, we are committed to providing high-quality solar lighting solutions for both residential and commercial applications.

Where are solar street lights made?

Located in Yangzhou, Jiangsu, by Gaoyou Lake. Factory area, 40,000 m². 18 years of expertise in R&D and production of solar street lights. Exported to 95+ countries and regions, with over 1 million units sold.

Which countries support solar power generation?

Compared with traditional energies, the cost for solar photovoltaic power generation is very competitive. Thus, many countries have begun to support the solar development strongly. SOKOYO has exported tens of thousands of solar street lights to Chile, Mexico, Argentina, Ecuador and other countries.
