# **Southeast Asia House Container Wholesale**

## Overview

---

What types of container homes does Yichen offer?

Yichen offers prefab, portable, modular, customized aluminum alloy, and two-storey container homes at wholesale prices. Whether you need temporary housing, shipping container homes, or custom container living solutions — we supply it all with full OEM/ODM support and fast global delivery.

Where can I buy a container house?

From Southeast Asia to the Middle East, Yichen is known as one of the most reliable container house manufacturers. Whether you need to buy container houses from China, or partner with expert custom container builders, we've got your back—every step of the way. Compact and stylish, ideal for temporary or private modular use.

What is container house?

Container house is widely used in emergency housing, offices, schools, other application scenarios. Container house is a modular construction product based on steel frame and lightweight wall panel structure system. Packing containers are widely used in trade, logistics, construction sites, temporary offices and other fields.

What are the different types of container houses?

Our main products include Detachable Container House, Flat Pack Container House, Prefab K House, Folding Container House, Expandable Container House, etc. Flat packed container modular house is based on a standard container, which is transformed and combined to form a fully functional residential or office space.
