Overview

Where is LTL transformers located in Sri Lanka?

LTL Transformers (Pvt) Ltd No.154/11, Railway Station Road, Angulana, Moratuwa, Sri Lanka. Copyright © 2025 LTL Transformers (Pvt) Ltd. All Rights Reserved. | BenWorldwide With 40+ years of expertise, we are leading transformer manufacturers in Sri Lanka, backed by a joint venture with the Ceylon Electric Board.

Can I use a transformer in Sri Lanka?

Electricity supplies worldwide can vary from anything between 100V and 240V. It can be extremely dangerous to use an electrical appliance that is rated at a voltage different from the supply. As voltage can differ from country to country, you may need to use a voltage converter or transformer whilst in Sri Lanka.

Who is LTL Transformers?

Over the years, the Company has been steadily growing market share and has gained the reputation as a trusted brand name in both the local and global transformer industry. LTL Transformers (Pvt) Ltd offers a complete range of power and distribution transformers designed for reliability and durability while delivering efficiency in utility.
