## Overview

---

Who energizes Ukraine's largest battery-based energy storage project?

Fluence Energy B.V., a subsidiary of Fluence Energy, Inc., and DTEK Group, Ukraine's largest private energy company, have energized Ukraine's largest battery-based energy storage project, totaling 200 MW across six sites.

How will a new energy storage system help Ukraine's energy resilience?

Fluence CEO Julian Nebreda added: "This achievement is a beacon of resilience and a symbol of what can be achieved through strong international cooperation." The new storage systems are expected to increase supply security, reduce outage risks, and enhance grid decentralization, contributing to Ukraine's long-term energy resilience.

Should Ukraine resolutely develop its untapped energy reserves?

A resolute development of Ukraine's untapped reserves in the production, export and storage of energy would be in the interest of all sides involved. Anatoliy Amelin is one of the co-founders of the Ukrainian Institute for the Future in Kyiv, and its Director of Economic Programs.

Which large-scale energy deployments are happening in Ukraine?

Other large-scale deployments in Ukraine that Energy-Storage.news has reported on include one from energy firm KNESS and a plan from the State Agency on Energy Efficiency and Energy Saving of Ukraine (SAEE) to deploy distributed BESS projects for resiliency.

## Ukraine Energy Storage New Energy

---

### Ukraine's largest battery energy storage project enters final ...

DTEK, Ukraine's biggest private energy company, has begun final commissioning of the country's largest battery energy storage project,, developed in partnership with Fluence ...

### DTEK and Fluence Energize Ukraine's Largest Energy Storage ...

The new storage systems are expected to increase supply security, reduce outage risks, and enhance grid decentralization, contributing to Ukraine's long-term energy resilience.

### Ukraine's biggest battery storage project goes online

Ukrainian private utility DTEK has energised the largest battery storage project in the war-torn country and one of the biggest ones in Eastern Europe. The 200 MW/400 MWh ...

### IEA sets distributed solar, storage policy path for Ukraine

A report by the International Energy Agency (IEA) recommends three strategies to accelerate the deployment of distributed solar and battery energy storage systems (BESS) in ...

### **The largest energy storage facility in Ukraine and one of the ...**

DTEK Secures Record Financing for One of Eastern Europe's Largest Energy Storage Projects DTEK - the largest private investor in Ukraine's energy sector - has reached ...

### **DTEK and Fluence turn on 200MW Ukraine ...**

DTEK and Fluence have put a 200MW/400MWh battery energy storage system (BESS) portfolio in Ukraine into commercial ...

### **Powering Ukraine's Future DTEK and Fluences Landmark Energy Storage**

The collaboration between DTEK and Fluence is poised to have considerable implications for Ukraine's energy

landscape. The new energy storage system, energized on ...

## EBRD finances new private peak energy generation and storage ...

The European Bank for Reconstruction and Development (EBRD) is supporting Ukraine 's energy security by lending EUR22.3 million to private Ukrainian energy company ...

### ENERGY STORAGE SYSTEM

**Product Model**  
HJ-ESS-215A(100KW/215KWh)  
HJ-ESS-115A(50KW 115KWh)

**Dimensions**  
1600\*1280\*2200mm  
1600\*1200\*2000mm

**Rated Battery Capacity**  
215KWH/115KWH

**Battery Cooling Method**  
Air Cooled/Liquid Cooled

## Ukraine's Largest Energy Storage Facility Begins Operation ...

Ukraine has launched its largest 200 MW energy storage complex, built by DTEK in partnership with U.S. company Fluence, enhancing grid reliability, supporting renewable ...

## Ukraine's largest battery energy storage ...

DTEK, Ukraine's biggest private energy company, has begun final commissioning of the country's largest battery energy storage ...

## DTEK and Fluence turn on 200MW Ukraine battery storage ...

DTEK and Fluence have put a 200MW/400MWh battery energy storage system (BESS) portfolio in Ukraine into commercial operation.

## Amid Geopolitical Challenges: Ukraine's Largest 200MW/400MWh Energy

Against the backdrop of energy transition and geopolitical challenges, Ukraine has reached a new energy milestone. DTEK, Ukraine's largest private energy company, in ...

## Ukraine's biggest battery storage project ...

Ukrainian private utility DTEK has energised the largest battery storage project in the war-torn country and one

of the biggest ...
