Where can I buy a 20 ft shipping container?

Choose Aztec for your 20ft shipping container needs. We offer customized containers ready to fit any budget, with sale or rent options available. Call 1-800-399-2126 or fill out our quick container quote form!.

How do I choose a 20ft container?

Choose a 20ft used container. If you're looking for a box to transform into a container office, home, or pool, we recommend purchasing a new 20ft container. 20ft new containers, also known as "one-trips", have been used once before being sold for non-shipping purposes.

Can a 20ft shipping container be used as a storage shed?

If you can name it, a 20ft shipping container can probably do it. 20ft shipping containers are a popular alternative to building a storage shed, given their compact design and weatherproof steel exterior. Some businesses have even transformed 20ft boxes into industrial batteries to support the storage of renewable energy.

How much does a 20ft shipping container weigh?

A standard 20ft shipping container weighs 4,894 lbs when empty and has a loading capacity of 62,016 lbs. A 20ft high-cube container weights 5,181 lbs when empty and has a loading capacity of 65,898 lbs. How big is a 20ft shipping container?
