

**EQACC SOLAR**

# **Wholesale 30kw solar inverter in Melbourne**

## Overview

---

What is a 30kW solar inverter?

The 30KW package is a great middle ground between a smaller 15KW solar system and our heavy duty 50KW - 100KW commercial systems. We have access to the most advanced Tier 1 solar technology in the business, offering high conversion efficiency and minimal maintenance costs. Why do I need a solar inverter?

[Terms & Condition's Privacy Policy.](#)

What is a 30kW Solar System?

Our 30KW solar system solution is designed for the needs of Australian business owners: efficient, weather resistant, and capable of meeting your power demands on a daily basis. Arise Solar is 100% Australian owned and operated — and one of the country's leading solar providers for businesses.

Does a 30kW solar panel system come with a warranty?

Our 30KW solar panel system comes with a 25 year performance warranty, 10 year manufacturer's warranty, and 5 year warranty on workmanship (including installation). To find out if a 30KW solar panel system is right for your operation, give us a call on 1300 274 737 or get a quote now.

Is Delta a good company to buy a solar inverter?

With our core competencies in power management, Delta is rapidly expanding into renewable energy, providing best-in-class, high-efficiency solar systems and products including solar inverters and much more. ABB (Power-One) have established themselves as the world's second-largest provider of solar inverters and show no signs of slowing.
