Wholesale 5kw hybrid inverter in New-Zealand

Overview

Can a 5kw hybrid inverter run a 3 phase system?

So if 5kw is not enough to power your heavy equipment you can link two together and now you have 10kw. You can link up to six of these units and if you link at least three then you can set them up to run as a three phase system. You can watch a video about the Growatt SPF ES here. 5kW Hybrid Inverter perfect for off-grid and backup power.
